Dear Fr. Louis,

The "Poem of the Man God" by Maria Valtorta has given me very much for my own personal life and for my ministry. These 5 volumes should be widely distributed and read. I myself have made many priests, religious and also lay people aware of this work and encouraged them to read it.

That you are having the "Poem of the Man God" translated into Malayalam is a very great service you are doing to those who speak Malayalam. It is an enormous task and I marvel at your enterprise and courage.

Wishing you God's abundant blessings,

Yours fraternally in Christ,

  
Bishop of Pune
